

WHAT DO WE DO.

Help! I'm a Caregiver!

Think of this as "Caregiving 101." Walk out of this session armed with valuable info to tackle all things caregiving.

Care Navigator

Talk with an expert who will encourage you and equip you to navigate the complexities of the healthcare system while learning about valuable resources available to you.

Caregiver Klatch

Join co-ed caregiver discussion groups focused on learning, sharing, and exploring the ways we think, feel, and act in support of our loved ones.

CO-ED PROGRAMS ↑ GUYS ONLY PROGRAMS ↓

Jack-to-Jack

Get connected with a guy who's been in your shoes. You might laugh together, cry together, or just grab a coffee or some beers.

Kick Ass Caregiver Events

These guy-only events are available to help you get out and connect with other caregivers while doing a kick ass activity.

**WELCOME
TO THE NOT SO
SECRET CLUB**
for caregivers.

You've probably realized by now that this caregiver thing can be an uphill climb. And that it can be pretty lonely, too. That's where Jack's Caregiver Coalition comes in. It was created by guys for caregivers. We do a lot of super helpful things that aren't at all cringe worthy, we promise. So give us a try. Visit us at jackscaregiverco.org or email us at contactus@jackscaregiverco.org and let's see how we can help.

"Jack's gave me the sense that it can be done, you just have to learn how to do it. It was helpful to me, and I regret that I didn't reach out sooner." – Jake

TANK DRIVING EVENT

CAREGIVER KLATCH

OUR LEADERSHIP TEAM

WHO WE SERVE.

Anyone 18 and older who has cared for a loved one facing a health crisis. This includes anyone who has lost their loved one as well as anyone who is currently experiencing a health crisis with a loved one. Most of these health journeys are cancer-related, but all conditions are welcome. While the purpose of our work is centered on guy caregivers (anyone identifying as a guy), we also offer a variety of co-ed opportunities.

97%

of guys we've served reported that Jack's contributed to their sense of improvement as a caregiver.
